**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been with an independent ISP, sonic.net since 2001. They have provided me with excellent service for an affordable price.

Last month they upgraded me from DSL to Fiber and I am getting 300Mbit/sec speeds. Please do not change the rules to make it harder for small providers to compete with the large ISPs. Not only do they provide excellent service, they are also acting as a check on the big guys forcing them to keep prices reasonable.
